

To Whom It May Concern:

This letter is in reference to Robert W. Steer. Captain Steer joined M/Y Big Eagle in Vancouver, CA and traveled with us to Port Hardy, CA in May 2024. During that time we had the owner of the yacht and his family on board.

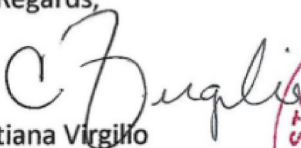

Captain Steer was a huge asset to us during that trip and even before the trip. He went above and beyond to make our trip wonderful for the owners. He was a tremendous help in the planning and executing of our itinerary.

He was very helpful in the bridge with watches and navigating in waters that we were not familiar with. We loved having him on board and hope to be able to work with him in the future.

I would recommend him without hesitation for any vessel operating in any seas.
